RESPONSIBLE MARINE MAMMAL TOURISM - CONSERVATION THROUGH EDUCATION

Spectacular sweeping sea views are the order of the day at **Ocean View Cottage** - a gorgeous little cottage situated on the hilltop next door to The Dolphin Centre. Other than its incredible location, Ocean View Cottage has also become somewhat well-known for its sizable patio and the great entertainment opportunities this allows.

The unit comprises two bedrooms, a lounge, a kitchen and of course the covered patio. The large main bedroom is kitted out with a double bed as well as a bunk bed to the left of the bathroom. The second bedroom, situated at the entrance of the cottage, offers two single beds that can either be pushed together or kept apart according to sleeping arrangements.

The fully equipped kitchen comes with gas-top and stove, microwave, fridge / freezer. The front door of the cottage opens onto the expansive covered patio area where one can enjoy magnificent views of Ponta Bay and the often-welcome ocean breeze.

NB: Guests are asked to please bring their own beach and bath towels.
